## Recovery and Investment in Service of ECE

### Apply for a \$50,000 Recoverable Grant

#### Recoverable grants are available for programs that meet the following eligibility criteria:

- Must operate a licensed child care program within Los Angeles County, California
- The facility must have been directly impacted by the 2025 LA County wildfires or serve families directly impacted
- Must serve children ages 0-5, with priority given to those serving families with subsidies

#### Recommended Expenditures:

- Remediation, construction, and cleaning
- Fire mitigation, such as fire suppression systems
- Green building upgrades
- Building permits and fees
- Program materials
- Furniture, fixtures and equipment
- Children's outdoor environment
- Rent or mortgage payments
- Insurance deductibles
- Trauma informed care/mental health resources
- Funding to bridge insurance, FEMA or other disaster payments

Grants can be repaid to bridge future funding or can be forgiven at the rate of 20% per year, as long as the provider remains in operation for 5 years and adheres to grant terms. If operations cease or terms are not met, LIIF may seek full repayment.
